With a string of hits stretching back to 2012 and a fan base that's growing exponentially, Lynch is one of the most popular acts in today's modern country music. His first two albums debuted at No. 1 and No. 2 on Billboard's Top Country Albums chart.

His third album, *Current Mood*, arrived as an adventurous, attention-grabbing country music album of 2017, showing a bold, next-generation superstar coming into his own. Lynch has cranked up massive crowds and is well-known for his charismatic, dynamic performances on the road.

Adkins is a three-time Grammy-nominated member of the Grand Ole Opry, TV personality, actor, author and

This Nashville icon, with more than 11 million albums sold, has won three Academy of Country Music Awards, including the 2009 Single of the Year Award for "You're Gonna Miss This" and Vocal Event of the Year with Blake Shelton for "Hillbilly Bone" in 2010.

Jake Owen has a sweet spot for all-American nostalgia. He's adept at summoning the spirit of a sunny day, good friends and maybe a cold drink in his music. Reunited with Joey Moi, the producer of his star-making album *Barefoot Blue Jean Night*, he is currently recording the country music soundtrack of summers past and those still to come.

Among his No. 1 singles are the double-platinum anthem "Barefoot Blue Jean Night" and platinum-certified "Beachin'," just a couple of his songs sure to delight Citadel Country Spirit USA concert-goers this summer..

The first-ever Citadel Country Spirit USA, being held in Chester County's Brandywine Valley at Ludwig's Corner Horse Show Grounds, will feature more than 20 country music artists on two stages. The remainder of the lineup will be announced at a later date.

While great music is the main attraction, concert-goers will be treated to a spectacular festival experience, a country music celebration with an array of activities, food and libations to please every palate – from Sierra Nevada for beer drinkers to wine and spirits at the Barefoot Wine Garden and Jose Cuervo Saloon.

The country music spectacular comes to Chester County from the producer of Country Summer, Northern California's biggest country music festival celebrating its fifth annual event in June. Hosted by the Chester County Conference and Visitors Bureau (CVB), thousands of fans from across the nation are projected to attend. The venue has a capacity of 15,000 daily.
